

Order Minimum & Packaging Sheet

Liquid Flavors

-The minimum order is 1 gallon (weight per gallon varies based on flavor)

-Packaged in 1-gallon jugs, 4 x 1 gallon boxed case, 5-gallon pail (with both pour spout and tear open lid), 55-gallon drums

Dry Flavors

Dry flavors are available on 4 different bases

1. **Soluble Powder Flavors** (maltodextrin base*), an inert white powder. Perfect for soluble beverages and matcha.
-alternatives are available in Non-GMO Maltodextrin, Tapioca Maltodextrin, Dextrose, and Rice Flour.
2. **Rice Granule Flavors** (using the husk of a rice grain), an inert beige small fiber. Perfect for rooibos blends, tea bag grades, and ground coffee.
3. **Grape Seed Flavors** (using the grape seeds left from winemaking), an inert brown seed. It comes in coarse grind. Perfect for ground coffee and tea.
4. **Apple Granule** (using the apple flesh left from apple juice making), an inert beige chunky fiber. Perfect for loose teas and pyramid sachet teas.

- The minimum order is 15 pounds and in 15lb increments thereafter
- Pallet quantities vary based on dry flavor base but are roughly 4 x 200lbs drums.
- First orders will get the 50 pounds price even if ordering just 15 pounds. This is a one time only per flavor benefit.
- It is packaged in up to 50lb boxed case with double food-grade poly liner with reusable zip ties or up to 200lb drums.
